

Vice President of Human Resources

Vibrant Human Services Agency seeks a dynamic leader to support and oversee our most valuable resource, our 325 team members. Responsibilities include:

- Oversight of all aspects of recruitment, selection, and on-boarding of team members,
- Oversight and management of robust benefits package,
- Ensure Agency compliance with all relevant State and Federal Employment regulations and Agency Human Resource Policies and reporting.
- Work with other Senior Team Leaders to create and maintain a strong mission-driven work culture that is diverse, high performing and inclusive.
- Support and partner with the Finance department around payroll administration.
- Provide strategic analysis and planning to position the Agency to effectively allocate human resources for mission-driven growth.

Minimum Requirements: Bachelors Degree in a related field, five years relevant human resources experience, with two years of supervisory experience required. Experience in a human service organization a plus. Excellent oral and written communication skills and the ability to work with diverse groups are essential.

The Children's Home offers an excellent benefit package, competitive salary and the opportunity to be a leader. Please send a cover letter and résumé to: gdermody@chowc.org Learn more about the Children's Home at www.chowc.org EOE
